

Mgt 685 (formerly Mgt 690) Story Research Consent Form

Participation in this study is voluntary. If you don't wish to participate, or would like to end your participation in this study, there will be no penalty or loss of benefits to you to which you are otherwise entitled. In other words, you are free to make your own choice about being in this study or not, and may quit at any time without penalty.

CONFIDENTIALITY:

Your name will not be attached to your interview responses. Your name and any other identifiers will be kept in a locked file that is only accessible to me or my research associates. Any information from this study that is published will not identify you by name and will be kept strictly confidential, and if you don't want something in particular, cited, then that part will be destroyed, but not the whole thing.

NEW INFORMATION:

Any new information obtained during the course of the research that may affect your willingness to continue your participation in the study will be provided to you.

SIGNATURE:

Your signature below means that you have freely agreed to participate in this research study. You should consent only if you have read the previous or is has been read to you and you understand its contents. If you have any questions pertaining to the research, you may contact the Principal Investigator, Dr David Boje whose phone number is (575) 646-2391. If you have any questions about your rights as a research subject, please contact the Office of the Vice President for Research at New Mexico State University at (575) 646-2481.
